

Placement of flags

For every board this is a list of what type of flag you should put in that space. Talisman means main board.

- The title is the type of flag you will place.
- The number of the first column is the number of flags needed. The letter S means you have to end your move on the space. The letter C means you can continue your move on the other board. Cut the flags to a pointing arrow to indicate this.
- The text in the second column is on what board you should place the flag. the type of flag you should place
- The third column tells you in what space to put the flag, or during which condition the flag appear.
